

# Experience the **Flinn Difference.**

For more than 45 years we have been proud to be your partner in safe science. From our lab supplies and instruments to our hands-on kits and rich digital content, everything we do is designed to help you make the most of your time and deliver the best possible learning experiences to your students, regardless of science discipline, and wherever that learning may take place. We look forward to remaining your "go-to" source for all things science and safety for many years to come

# Flinn is 100%

#### **TESTED**

Every product we sell has gone through thorough in-depth testing in our lab, so you can trust them in yours.

#### **PRICE MATCHED**

If you find a lower nationally advertised catalog price for an identical item, we will match that price.

#### **GUARANTEED**

We guarantee that no sale is complete until you are 100% satisfied.

### **ALIGNED**

Our learning solutions support all current national and state science standards including NGSS.

Prices valid Jan 2024. Pricing and availability are subject to change.

# PAVO

# What would you do with an extra day each week?

Research<sup>(1)</sup> shows teachers spend seven hours per week looking for additional instructional resources and another five hours customizing those to fit their needs.

What if you had those hours back?

#### PAVO Individual Teacher Licenses gives you back time!

Edit, download and print all of our hands-on lab instructions with your PAVO Individual Teacher License. Easily search Flinn's comprehensive library by topic or standard to make science come alive in your classroom! Assign Flinn's library of resources -- activities, asynchronous labs, videos, assessments and more... with just a click.

#### 100s of standards-aligned labs.

Select from standards-aligned content to create lesson plans for the entire year. All labs are written and tested by Flinn's staff of scientists and science educators.

# Plan, edit and assign content and labs from one place.

With PAVO, our award-winning gateway to engaging and inspiring content, you can easily assign, plan and edit labs and activities to meet the needs of all your students, across all science disciplines.

# All levels. Including advanced.

Teach all levels of science with our customizable content, from middle grades to advanced, with our exclusive inquiry labs from our award-winning AP®\* prep program, FLINNprep.

# NEW

# Textbooks lacking when it comes to **teaching hands-on science?**

# **FLINK**connect<sup>®</sup>

FLINNconnect is supplemental courseware that integrates direct instruction with hands-on labs to engage students and let teachers move beyond the textbook using practice-based standards.

This innovative program supports direct instruction and single-class-period hands-on labs for 20 essential topics for chemistry and biology is sure to transform your classroom.

#### **Essential topics.**

FLINNconnect for Chemistry and FLINNconnect for Biology each cover the 20 most essential topics your students need to know.

# Fits into your school year.

FLINNconnect is designed as a comprehensive hands-on lab solution for your entire course.

#### One period labs.

Designed to work within your time constraints, all FLINNconnect labs and activities in FLINNconnect can be taught in a single class period.

# Saves prep time with curated kits.

Flinn's staff has curated our most engaging kits that connect seamlessly to the courseware.

## Developed by scientists and science educators.

The digital courseware was developed by Flinn's staff of scientists and educators.

## Can work with any textbook or curriculum

FLINNconnect has been designed to complement any textbook or curriculum or stand alone.

FLINNconnect is part of PAVO, Flinn's award-winning digital gateway to a library of trusted resources for implementing hands-on science safely!
