FLINNsafety™

SAFETY FIRST...ALWAYS

High School Safety Solutions

Now available as stand-alone solutions. Our comprehensive and discipline-specific high school safety courses cover everything your students need to know to "do" science safely including:

- appropriate lab attire (including how to correctly wear PPE),
- safe chemical handling,
- working with instruments and apparatus, and
- what to do in the event of an accident.

Let Flinn help you create the safest learning environment possible for your students. One accident is one too many.
